

Vanderbilt University Medical Center

ACGME-VUMC Developing Faculty Competencies in Assessment - 2025S CME

Date: September 17, 2025-September 20, 2025

Location: Nashville, Tennessee Scarritt Bennett Center 1027 18th Ave. South

Accreditation

Vanderbilt University Medical Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation

Vanderbilt University Medical Center designates this live activity for a maximum of 23.75 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity

Objectives

After participating in this educational activity, you should be able to:

1. Describe and discuss principles of competency-based medical education for residency programs.
2. Develop learner-centered goals and objectives for a competency-based residency program.
3. Understand how to assist residents and fellows with assessing their own performance.
4. Develop direct observation skills to assess the performance of residents and fellows in your competency-based program.
5. Develop effective strategies for providing effective feedback to residents and fellows.
6. Describe and discuss approaches to assessing what faculty in your residency programs need to learn to participate effectively in a competency-based residency program.
7. Develop techniques to help faculty in your residency program learn what they need to know and do to participate effectively in a competency-based residency program.
8. Develop remediation plans for residents who are not performing as expected with emphasis on the role of coaching.
9. Develop effective strategies for coaching residents and fellows who are not performing as expected.

Commercial Support: This activity received no commercial support.

Financial Disclosures: VUMC CE activities are compliant with the Standards for Integrity and Independence in accredited continuing education. Any individual in a position to control the content of a CE activity, including but not limited to planners and faculty, are required to disclose all relevant financial relationships with ineligible organizations. All relevant conflicts of interest have been mitigated before this activity started.
